

August 2018

Dear Parent, Guardian or Caregiver,

Welcome back to school. We wish you and your family a successful 2018-19 school year and thank you for your continued patronage.

Lunch ordering is done on the on-line ordering system that was developed exclusively for Duke Catering. The system is very easy to use, easy to order and easy to pay for items ordered. You can view your child's orders at any time by logging into your account. The cost of the standard lunches \$3.50, a large portion (main item only) is \$4.50, and drinks are \$.50. An e-mail will be sent to you every Friday, reminding you of the items you ordered for the coming week.

Please note that lunch tickets are printed on Sunday for the week. Orders can be placed anytime but if placed on or after Sunday for the same week, your child will not receive a lunch ticket. This is not a problem in any way. Simply let your child know to come up into line and we will look them up on the daily paperwork to see what they ordered for that day. The on-line ordering system closes out the orders three days before. For example, if you are ordering for Monday your order needs to be placed no later than Friday.

Also, we are very cautious about food allergies. However, there are times that manufacturers change how they process their products or change their ingredients without letting us know, therefore we cannot guarantee that all foods are allergy friendly. Please inform us of any food allergies that your child may have.

Lastly, if your child is absent on a day that they ordered lunch, please email us at dukecatering@comcast.net so we can issue you a credit.

How to use the system:

Go to <http://stmargaret.dukecatering.com>

1. Click on the Click Here to Register button.
2. Complete the Registration for Account Form. When completed click Register Now at the bottom of the page.
3. Next click the Student button. This is where you will enter your child's name and grade. When you are finished completing this information click Insert. If you have more than one child you will then click Add New to enter another child.

4. You are now ready to order your child's lunch. After you have clicked on your lunch choices for the month, hit Place Your Order & Proceed.

5. Next you can check out. You may pay on line (Visa, MC, Amex & Discover accepted) or you may choose to send a check into school. To send a check simply click the Print Remittance Form option and send that form in with your check.

We understand everyone's busy schedule, we will accept daily orders but **we strongly encourage you to pre-order the lunches, so we will have your child's lunch choice available for him/her.**

Should you not have a computer and/or are having computer/printer problems you may simply pick up a menu order form from the school, complete it and pay by check or cash and return it to the school.

You may order by the month, by the week or for individual days. You also have the option of ordering for the month, but sending checks in weekly or bi-weekly to pay for your child's lunches. Just be sure to put your child's name & note that it is payment for a pre-order on the envelope.

Snacks, milk, water, lemonade, iced tea, Gatorade & ice-cream can be purchased daily with cash.

We spend a considerable amount of time in planning our menus to ensure that the children will enjoy tasty, healthy and satisfying lunches. We will present a variety of foods, taste and textures and we hope that the children will look forward to and really enjoy the lunches we provide.

Our menu is designed to be lower in fat, cholesterol and lower in salt and none of the food served will be deep-fried. We will also plan menus based on the seasons offering the children menu items that are lighter in the warmer months and heavier in the colder months. We are continuing to implement the "Wellness" program using lower fat, lower sodium and lower cholesterol items and more fruits and vegetables in the daily lunches.

We also welcome any menu suggestions you may have for school lunches. We are members of the School Nutrition Associations and are implementing a number of their "cutting edge" nutritional ideas. We really appreciate the opportunity to serve you and your children. If you have any questions, you can reach us at 856-986-4512 or e-mail us at dukecatering@comcast.net or visit our website www.dukecatering.com with any suggestions.

As always, thank you –
The Staff of Duke Catering
