

Welcome To St. Margaret's Latch Key Program

St. Margaret Regional School has had a Latch Key program for over 20 years. Your children are in loving hands that want to ensure that they are not only safe after school, but that they are in a fun and comfortable environment. The after school program has basic structure and is otherwise a more relaxed atmosphere.

We ask that you provide your child(ren) with a snack or two and toys or play clothes (if you deem necessary). We will occasionally provide snacks, so please note on the registration if there is anything that they are unable to eat/drink. We do provide games, legos, coloring books, balls, jump ropes etc. for the children, but if they have something special that they would like to play with- they may bring it in.

Please be sure that your child's name is on anything that they bring to LatchKey.

A typical day in Latch Key consists of the following:

The children line up and are dismissed as a group. They are brought into the Latch Key Room where they eat their snack and role is taken. Once they have eaten their snack and we have determined the children that should or should not be there- the time is theirs. We do provide an area for the children to do their homework and the Latch Key Staff is there to provide assistance if necessary. If you want your child to complete their homework, please make sure that you let the Latch Key Staff know so that they can make sure that before they play they are doing their homework. Some parents would prefer that homework is NOT done in Latch Key, so unless we know otherwise, no child is made to do their homework!

When you register your child for Latch Key, we ask that you provide us with an emergency contact or two.

This needs to be someone who is able to pick up your child- in case of emergency. For example, sometimes bad weather will occur and while the school may remain open until regular dismissal, Latch Key may close early. In that case you would be notified that you or your emergency contact would need to pick up your children by the designated time. Your emergency contact may also be needed in case of an illness.

Please make sure that this person is within 15 minutes of school and is able to pick you children up if necessary.

Please make sure that you are registered for GLOUCESTER ALERT- this will be our means for communication for Latch Key cancellations or early closing.

The basic rule in Latch Key is communication. Please make sure that you communicate any changes in schedule, issues or problems with the Latch Key Staff and as things may change on our end- we will communicate them with you!

We look forward to taking care of your child!

Thank you!
