

St. Margaret Regional School Early Care

We are pleased to announce the development of St. Margaret Regional School Early Care Program With the growing need of parents commuting to work at an earlier time and transportation concerns, we would like to be able to offer an opportunity for you to drop your **Kindergarten – 8th grade** child(ren) off to school early. Preschool 3 and Pre-Kindergarten students are not eligible for this program due to the nature of their school day start time.

ABOUT THE PROGRAM -

Your child(ren) will be cared for by loving staff members. Students will have time to review any academic courses, engage with other students, or even enjoy a breakfast type snack. Breakfast **will not** be provided by our staff, however, students are welcome to bring breakfast type snack. Breakfast snacks must be something non-microwaveable and simple in nature. We do provide games, legos, coloring books and puzzles for the children, but if they have something special that they would like to play with- they may bring it in, please limit at this time. **Please be sure that your child's name is on anything that they bring to the Early Care Program.**

SCHEDULE & PROCEDURES -

The Early Morning Care Program will be available Monday-Friday during regular school operation days. Doors will open at 6:45am. Parents or an authorized family member or friend will need to escort the child(ren) into the Early Care Program and sign the drop off board. Students are **NOT** able to sign themselves in upon arrival.

EMERGENCY PROCEDURES -

When you register your child for the Early Care Program, we ask that you provide us with an emergency contact or two. Please be sure you are registered with Gloucester County Alert to receive news regarding school status during inclement weather. **In the case of a delayed opening, the Early Care Program will not be available.** Your emergency contact may also be needed in case of an illness.

Please make sure that you are registered for GLOUCESTER ALERT- <http://www.gloucesteralert.com/>

COMMUNICATION -

The basic rule in the Early Morning Care Program is communication. Please make sure that you communicate any changes in schedule, issues or problems with the Early Morning Care Program Staff and as things may change on our end, we will communicate them with you!

We look forward to taking care of your child!

Please feel free to contact us with any questions.
