RE: **Cookie from Duke Catering**  
PRAYER: *St. Josephine Leroux, Martyr, pray for us!*

ATTENTION: peanut and tree nut allergy sufferers! Usually, the cookie provided by Duke Catering in our lunch program are from a nut-free facility. However, the current cookies are not from a nut-free facility. The usual cookies are on back-order.

The lunch ladies have been offering alternative snacks to students with known nut allergies.

We will notify the school community when we are able to offer our nut-free cookies once again.
