

## Summer Reading for Students Entering 5th Grade

While we are hoping students will make the most of their summer breaks, it is important to continue to encourage students to explore the world around them through literature. Summer reading helps students continue to practice reading skills in a relaxed setting.

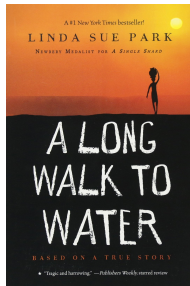

For the summer reading assignment, each student is **required** to read **one** book from the choices given below. In the first few weeks of school, we will complete a series of comprehensive assignments in class.

If you have any questions leading up to the start of the school year, please let us know.

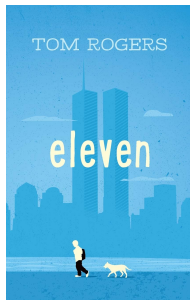

Happy Reading!

Mrs. Vallee & Miss Wolstenholme

**Book Choices : (Please choose any ONE of the following to read prior to the start of school)**
