Santa's Workshop Information: Grades K - 7

Dear Saint Margaret Families,

From December 9 through 11, 2025, the 8th grade class will be hosting our annual Santa's Workshop. For those who may be new to our school, this is an opportunity for students in grades K-7 to shop for friends and family members and spread some Christmas cheer. Items at Santa's Workshop are priced anywhere from \$1 to \$15, depending on the item. Below is the shopping schedule; please note the day(s) in which your child's class will be permitted to attend:

Tuesday, December 9: Grades K-2

Wednesday, December 10: Grades 3-5

Thursday, December 11: Grades 6 & 7, and any last minute shoppers in K-5

On your child's assigned day, they will go to Santa's Workshop with their class and will shop with the assistance of the 8th grade class. Each child will receive a bag labeled with their name to place their items once they have paid their total. Your child will also receive an envelope with their name where they can place their money and create a shopping list to help them know for whom they are shopping.

Please make sure any money sent in for your child to use while shopping is placed in a labeled envelope with their name and grade.

We are excited for this Christmas tradition at Saint Margaret's, and look forward to sharing in this special event with your child!
